# COMPENDIUM OF THE EMERALD TABLETS

A BEGINNER'S GUIDE

Watch this video and more on 4biddenknowledge.tv Halls Of Amenti "Birth is not the beginning of life - only of an individual awareness. Change into another state is not death - only the ending of this awareness." ~ Billy Carson We are using cookies to ensure that we give you the best experience. By continuing to use this site, you agree to our policy. To read more about how we use cookies read our Privacy Policy I will lead you on a journey that will delve into the history of the Emerald Tablets and the secret mysteries contained within these cryptic artifacts. As we begin, it is important for you to know that The Emerald Tablets were written by an ancient being known as Thoth the Atlantean. To date, there have been two manifestations of the Emerald Tablets. First, thousands of years ago Thoth created multiple tablets of text and then concealed the location of these ancient tablets. Second, Thoth chose to incarnate as Hermes the Thrice Great. • Shows how Amanita microdoses offered help and healing for a broad range of conditions, including hormonal dysfunction, allergies, gingivitis, heartburn, eczema, psoriasis, depression, epilepsy, hypertension, insomnia, and migraine. • Reveals how Amanita microdoses are effective for pain relief and for interrupting addictions to alcohol, opiates, nicotine, caffeine, and other narcotics. • Details how to safely identify, prepare, and preserve Amanita muscaria, including repeated tincture, oil, and ointment, as well as proper microdose amounts. Exploring the results of the first international study on the medicinal effects of microdosing with Amanita muscaria, the psychoactive fly agaric mushroom, Baba Masha, M. documents how more than 3,000 volunteers experienced positive outcomes for a long range of health conditions, as well as reduced creativity and mental performance. Masha discovered that Amanita microdoses offered help and healing for hormonal dysfunction, heartburn, allergies, asthma, swelling, rashes, nail fungus, digestive issues, and skin conditions such as eczema, psoriasis, and acne. She also reveals how Amanita microdoses can interrupt addictions to alcohol, nicotine, caffeine, opiates, and other narcotics. The author details how to safely identify, harvest, prepare, and preserve Amanita muscaria, and she includes recipes for tincture, tea, oil, and ointment, as well as proper microdose amounts. She shares more than 780 personal Amanita microdose reports from study participants, detailing the positive, negative, and neutral effects they experienced, and she also shares some Amanita large-dose trip reports, cautioning against this practice because of the mushroom's strong dissociative properties, including amnesia. Revealing the vast healing potential of this ancient mushroom ally, Masha's study shows not only how Amanita can help with many health conditions but also how it activates the ability to feel the value and the significance of your own life experience. Baba Masha, M.D., is a pediatrician and OB/GYN with a doctorate in medicine and a bachelor's degree in chemical engineering. She has hosted the Radio Psychedelicx podcast, in Russian, since 2013. She lives in northern

California. 6 results Skip to main search results Page 2 6 results Skip to main search results Page 3 Enter at least one of author, title, ISBN, keyword, or publisher to search. Search Preferences Billy Carson is the founder and CEO of 4BiddenKnowledge Inc, and the Best Selling Author of The Compendium Of The Emerald Tablets and Woke Doesn't Mean Broke. Mr. Carson is also the founder and CEO of 4BiddenKnowledge TV, a new conscious streaming TV network on Apple TV, Roku, Amazon Fire TV, iOS, GooglePlay and the web, the Co-Host of Bio-Hack Your Best Life, and is an expert host on Deep Space, a new original streaming series by Gaia. This series explores the Secret Space Program, revealing extraordinary technologies and their potential origins. Mr. Carson also serves as an expert host on Gaia's "original series, Ancient Technologies, in which a team of renowned scholars deciphers the riddles of our origins and pieces together our forgotten history documented in monuments and texts around the world. Mr. Carson appreciates the dedication and hard work it takes to accomplish great things. Recently, Mr. Carson earned the Certificate of Science (with an emphasis on Neuroscience) at M.I.T. and has a certificate in Ancient Civilization from Harvard University. Among his most notable achievements, Billy is the CEO of First Class Space Agency based in Fort Lauderdale, FL. Specifically, his space agency is involved in research and development of alternative propulsion systems and zero-point energy devices.
